Blaster
Decal & Sticker Remover
(340g Aerosol)

BLASTER KIT

(includes both items)

\$29.95

BLASTER WHEEL

Take off vinyl lettering and graphics the fast way by using the Blaster Wheel. Made of soft rubber to avoid scratching, it connects to standard drill chucks via the arbor supplied. The Blaster Wheel removes vinyl by lightly wearing away the vinyl and is great when removing large areas of vinyl.

Blaster Wheel - the fast way to remove vinyl when dealing with large areas. Made of soft rubber to avoid scratching, it connects to standard drill chucks.
