

NT Cutter 9mm Snap Cutter

Multi-blade Cartridge

A-551P

The A-551P NT 9mm Snap Cutter is a professional-grade tool designed for efficient and safe cutting, favored by experts in window film installation, vehicle graphic wrapping, and other fields. Its high-quality ABS grip features smooth, rounded edges to prevent scratches, and its cartridge-type design allows for up to five refill blades, ensuring continuous supply and maximum cutting efficiency. The innovative design enables effortless old blade removal and automatic advancement of new blades, with an end cap doubling as a blade snapper. Crafted with premium carbon tool steel blades, each cartridge knife comes with two blades and is proudly manufactured in Japan, reflecting a commitment to quality and performance.

Features & Benefits
