

NT Cutter 9mm Snap Cutter

Light Duty - Basic

A300

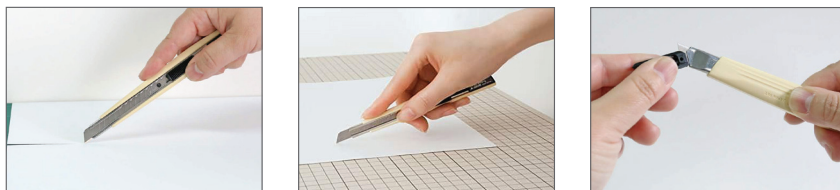

The A300 9mm Snap Cutter is known as one of the worlds best selling light-duty basic cutters. It is designed for precision cutting and everyday use for professionals and hobbyists who value control, durability, and accuracy. Built for long-lasting performance, the A300's robust yet lightweight frame ensures stability and balance during use. It provides secure blade positioning for precise and consistent cuts, enhancing safety and efficiency, while the end cap doubles as a blade snapper. With a high-quality sliding track that ensures smooth blade movement and 2 spare blades for added convenience this knife stands out as a reliable tool for craftwork, model making, signage, graphic design and more. This precision-engineered tool is proudly manufactured in Japan, reflecting a commitment to quality and performance in the professional toolkit.
