

# NT Cutter 18mm Basic Snap Cutter Heavy Duty with Screw-Lock

# L-500P

The L-500P 18mm Basic Heavy Duty Snap Cutter is equipped with a durable and lightweight plastic body, ensuring optimal comfort and control during use. The screw-locking system securely holds the blade in place, enhancing safety and cutting efficiency. The L-500P knife features a premium stainless steel sliding track that enables the blade to extend and retract smoothly and also comes with a triangle blade snapper and 2 spare blades for your convenience. The blade itself is constructed from high-quality carbon tool steel and is manufactured through a series of meticulous processes to achieve exceptional sharpness and superior edge retention.

## Features & Benefits

- Heavy duty with 2 spare blades
- Durable and lightweight grip
- Triangle blade snapper included
- Screw-locking system to hold blade tight and secure
- Durable metal blade-sliding-track
- Compatible with all 18mm wide blades
- Heavy duty function and durability
- Accurate sharp cutting performance
- Suitable for multiple industries and applications
- Made in Japan
